

While at the Bus Stop, Redland Wildcats should ...

Be Safe:

- Wait in a single file line in the designated Bus Stop area.
- Leave a “space bubble” between you and the person in front of you.
- Wait for directions from the driver before boarding the bus.

Be Respectful:

- Allow Kindergarteners to move to the front of the line and board first. All other students line up in the order they arrive.
- Respect the private property around the bus stop.

Be Responsible:

- Come to the Bus Stop 5 minutes before your bus arrives. Wait with an adult, if possible.
- Keep toys, games, or electronics inside your backpack.
